

A photograph of a forest stream with white water rapids flowing over dark rocks. The water is turbulent and white with foam, contrasting with the dark, mossy rocks. The surrounding forest is dense with green foliage and trees, some with autumn-colored leaves. The scene is captured from a slightly elevated angle, looking down the length of the stream.

Ezekiel 32:20 They shall fall in the
midst of them that are slain by the
sword: she is delivered to the
sword: draw her and all her
multitudes.
