

**Matthew 04:24 And his fame went
throughout all Syria: and they
brought unto him all sick people
that were taken with divers
diseases and torments, and those
which were possessed with devils,
and those which were lunatic, and
those that had the palsy, and he
healed them.**

A vibrant orange and black striped butterfly is perched on a yellow flower. The butterfly's wings are spread, showing distinct black stripes on an orange background. The flower is bright yellow and appears to be a daisy-like species. The background is a soft, out-of-focus green, suggesting a natural outdoor setting with foliage. The text is overlaid on the image in a bold, white, serif font.
