

A close-up photograph of a dense field of small, spiky flowers. The flowers are in various stages of bloom, with some showing vibrant pink centers and white outer petals, while others are more fully white or have faded to a pale pink. The flowers are interspersed with lush green foliage, including large, rounded leaves and smaller, more delicate leaves. The overall scene is a vibrant and textured display of natural beauty.

**Revelation 22:21 The grace of our
