

A bouquet of flowers is arranged on a dark wooden surface. The bouquet includes several bright yellow daffodils and a large, dense cluster of small purple hyacinths. Green leaves and stems are visible, some extending across the frame. The background is softly blurred, showing more greenery and a hint of a brown surface.

Jeremiah 50:37 A sword is upon
their horses, and upon their
chariots, and upon all the mingled
people that are in the midst of her;
and they shall become as women: a
sword is upon her treasures; and
they shall be robbed.
