

A close-up photograph of a large, multi-petaled flower, likely a rose, with a mix of light pink and white petals. The petals have a delicate, ruffled texture. In the center of the flower, there is a small, white, unopened flower bud with several pointed lobes. The background is dark and out of focus, making the flower stand out prominently.

**Psalm 102:03 For my days are
consumed like smoke, and my
bones are burned as an hearth.**
