

A close-up photograph of a vibrant orange flower, possibly a chrysanthemum, in the foreground. The flower has many small, layered petals. The background is filled with other similar flowers and green leaves, all slightly out of focus, creating a soft, natural setting. The text is overlaid on the upper half of the image in a white, serif font.

Leviticus 11:04 Nevertheless these shall ye not eat of them that chew the cud, or of them that divide the hoof: as the camel, because he cheweth the cud, but divideth not the hoof; he is unclean unto you.
