

A close-up photograph of a bouquet of flowers. The bouquet features a variety of colors: a large yellow flower on the left, several bright pink and magenta flowers in the center and foreground, and a large, ruffled pink flower on the right. There are also some purple flowers visible on the far right. The flowers are surrounded by lush green leaves and stems. The background is slightly blurred, showing more greenery and a hint of a wire mesh, possibly from a basket or planter.

Joshua 05:12 And the manna
ceased on the morrow after they
had eaten of the old corn of the
land; neither had the children of
Israel manna any more; but they
did eat of the fruit of the land of
Canaan that year.
