

A close-up photograph of a single yellow rose in full bloom, positioned in the lower right quadrant of the frame. The rose's petals are a vibrant yellow, with some showing a slight orange tint at the center. It is surrounded by several green leaves with serrated edges. The background is a dark, out-of-focus green, creating a strong contrast with the bright flower. Overlaid on the image is white text in a serif font, which is the subject of the OCR task.
