

A close-up photograph of several large, rounded clusters of pink hydrangea flowers. The petals are a vibrant pink with some lighter, almost white, variegation in the center of some blooms. The flowers are set against a background of dark green, serrated leaves. The lighting is soft, highlighting the texture of the petals.

tongues are for a sign, not to them
that believe, but to them that
believe not: but prophesying
serveth not for them that believe
not, but for them which believe.**
