A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing the delicate structure of the petals and the intricate details of the reproductive parts. The background is a dark, out-of-focus green, suggesting foliage.

Word Study for --- CONFEDERATE

The background of the image shows a long, straight stone path leading through a series of ancient ruins. On the left, there is a long wall with several tall, rectangular columns. The path is made of large, flat stones and leads towards a vanishing point in the distance. The sky is clear and blue, and the overall scene is bathed in warm, golden light, suggesting a sunset or sunrise. The ruins appear to be of a classical or ancient civilization, with some columns still standing and others partially destroyed.

Gen 14:13 And there came one that had escaped, and told Abram the Hebrew; for he dwelt in the plain of Mamre the Amorite, brother of Eshcol, and brother of Aner: and these were confederate with Abram.

**Psa 83:05 For they have consulted
together with one consent: they are
confederate against thee:**

Isa 07:02 And it was told the house of David, saying, Syria is confederate with Ephraim. And his heart was moved, and the heart of his people, as the trees of the wood are moved with the wind.
