# Word Study for --- ENFLAMING

A photograph of a camel in a desert setting. The camel is the central focus, facing right. It has a thick, light-colored coat and a long neck. A colorful, striped saddle blanket is draped over its back. The ground is sandy and shows tracks from other camels. The background is a vast, open desert landscape under a clear sky. Overlaid on the image is a large, white, bold text block.

**Isa 57:05 Enflaming yourselves with  
idols under every green tree, slaying  
the children in the valleys under the  
clifts of the rocks?**
