Word Study for --- JESTING

A scenic photograph of a waterfall cascading down a rugged, grey rock face. The water is captured in a soft, blurred motion, creating a white, frothy appearance as it falls. The surrounding area is lush with green ferns and other vegetation, particularly on the right side. The overall atmosphere is serene and natural.

**Eph 05:04 Neither filthiness, nor foolish
talking, nor jesting, which are not
convenient: but rather giving of thanks.**
