Word Study for --- MULTIPLIETH

**Job 09:17 For he breaketh me with a
tempest, and multiplieth my wounds
without cause.**

Job 34:37 For he addeth rebellion unto his sin, he clappeth [his hands] among us, and multiplieth his words against God.

A large, bright orange and yellow plume of fire or lava flows from a dark, industrial-looking structure on the right side of the frame. The fire is set against a dark blue background, creating a dramatic contrast. The plume of fire is thick and turbulent, with a bright yellow core and a darker orange outer layer. The structure it flows from appears to be a metal framework or a piece of machinery.

**Job 35:16 Therefore doth Job open his
mouth in vain; he multiplieth words
without knowledge.**
