Word Study for --- RECOUNT

The background of the slide is a photograph of autumn foliage. It features a dense canopy of trees with leaves in various stages of color change. In the foreground, there are prominent branches with bright red maple leaves. Behind them, the foliage transitions through shades of orange and yellow to a deep green in the background. The lighting is soft, suggesting a bright but slightly overcast day, which makes the colors of the leaves appear vibrant and saturated.

A close-up photograph of a field of pansies. The flowers are in various colors, including white, orange, and purple. The white pansies are the most prominent, with yellow centers and dark veins. The orange pansies are also visible, and some purple ones are scattered in the background. The background is dark and out of focus, making the flowers stand out.
