Word Study for --- RUINS

A scenic landscape featuring a calm lake in the foreground, a dense forest of evergreen trees in the middle ground, and rugged mountains in the background under a clear blue sky. The scene is framed by dark, out-of-focus foliage in the corners.

Eze 21:15 I have set the point of the sword against all their gates, that I [their] heart may faint, and [their] ruins be multiplied: ah! [it is] made bright, [it is] wrapped up for the slaughter.

A sunset over a body of water. The sun is low on the horizon, creating a bright orange and yellow glow that reflects on the water's surface. The foreground is dark and appears to be a rocky or pebbly shore. The overall mood is serene and contemplative.
