# Word Study for --- SIGHTS

A dramatic night sky with a bright lightning bolt striking down over a city skyline. The lightning bolt is the central focus, with multiple branches reaching towards the ground. The city lights are visible in the background, creating a contrast with the dark sky. The overall mood is intense and awe-inspiring.

**Luk 21:11 And great earthquakes shall  
be in divers places, and famines, and  
pestilences; and fearful sights and  
great signs shall there be from  
heaven.**
