Word Study for --- SOAKED

An aerial photograph of a large body of water, likely a lake or a wide river, characterized by numerous small, irregularly shaped islands and peninsulas. Each island is densely covered with lush green trees and vegetation. The water between the islands is a deep, dark blue. The overall scene is a vibrant, natural landscape.

Isa 34:07 And the unicorns shall come down with them, and the bullocks with the bulls; and their land shall be soaked with blood, and their dust made fat with fatness.
