A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing the delicate structure of the petals and the intricate details of the reproductive parts. The background is a dark, out-of-focus green, suggesting foliage.

Word Study for — SOLACE

A photograph of a sunset or sunrise through a dense forest of bare trees. The sun is a bright yellow orb in the center, partially obscured by the branches. The sky is a hazy, warm orange. In the foreground, a body of water is visible, with wisps of white steam or mist rising from it, creating a soft, ethereal atmosphere. The overall color palette is dominated by warm, golden-brown and orange tones.

**Pro 07:18 Come, let us take our fill of
love until the morning: let us solace
ourselves with loves.**
