A close-up photograph of a cluster of purple flowers, likely azaleas, with prominent stamens. The flowers are in various stages of bloom, showing the delicate structure of the petals and the intricate details of the reproductive parts. The background is a dark, out-of-focus green, suggesting foliage.

# Word Study for --- SPRIGS

**Isa 18:05 For afore the harvest, when  
the bud is perfect, and the sour grape  
is ripening in the flower, he shall both  
cut off the sprigs with pruning hooks,  
and take away [and] cut down the  
branches.**

A dramatic sunset or sunrise over a landscape. The sky is filled with dark, heavy clouds, with a bright orange and yellow glow from the sun breaking through near the horizon. In the foreground, the dark silhouettes of tall, thin trees are visible against the bright light of the sun.

**Eze 17:06 And it grew, and became a spreading vine of low stature, whose branches turned toward him, and the roots thereof were under him: so it became a vine, and brought forth branches, and shot forth sprigs.**
