# Word Study for --- VOYAGE

The background of the image is a vast, rugged landscape of layered, reddish-brown rock formations. The rocks are stacked in horizontal, wavy layers, creating a textured, almost sculptural appearance. The lighting is bright, casting deep shadows in the crevices and highlighting the textures of the rock. In the upper center, a small patch of clear blue sky is visible between the peaks of the rock formations. The overall scene conveys a sense of natural grandeur and geological complexity.

**Act 27:10 And said unto them, Sirs, I perceive that this voyage will be with hurt and much damage, not only of the lading and ship, but also of our lives.**
